

# RAVELLO

“A versatile leather to withstand all climatic conditions”

PIGMENTED LEATHER

Introducing the Ravello range, developed as a versatile leather to withstand all climatic conditions and heavy traffic. Featuring a semi matt finish and a soft silky touch, Ravello has superior abrasion and wear resistance. With additional technology, it works to protect against varying temperature, moisture and light, which will assist in reducing fade over time. This leather also can be embossed with 17 different prints or 14 different perforations. It is ideal for use in commercial and residential applications as well as public spaces and wall panelling.
